

Application No. 10/538,331
Election and Amendment Dated November 26, 2008
Reply to Office Action of October 27, 2008

REMARKS

The Office Action dated October 27, 2008 has been carefully considered by Applicant.

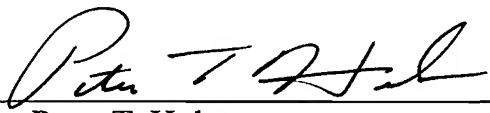

Claims 1-20 as filed have been subjected to a restriction requirement wherein the Examiner required Applicant to elect between five different species of invention. In response, Applicant has elected Species 1 and has withdrawn the claims of Species 2-5. Note that contrary to the Examiner's analysis, Species 1 reads on claims 1-4, 7, 8 and 15.

The claims have been amended to conform with U.S. practice. No new matter is added.

In addition, a typographical error was noted during a reading of the application. This error is hereby corrected. No new matter is added by this amendment. Examination on the merits of Species 1 is according requested.

Respectfully submitted,
